Content and Suitability Sheet

As of 11/13/2018\*

Arkansas Repertory Theatre strongly recommends educators read the script of the play to establish context for the content in the description below. The Rep exists to produce a diverse body of theatrical work of the highest artistic standards. We hope that our productions will entertain, challenge, and spark healthy discussions within the community. Please email [education@therep.org](mailto:education@therep.org) if you have any further questions. Thank you for your support.
