

Pride and Prejudice
Content Guidelines

Synopsis:

A fresh, comedic take on the beloved classic novel, this new adaptation is fast-paced, and filled with surprises, laughs, and romance. Lizzy Bennet does not believe in marriage, or even love. That is, until the handsome, amusing, and impossibly aggravating Mr. Darcy starts popping up at every turn, causing her to question her resolve. This timely theatrical retelling of literature's greatest tale of latent love explores the insanity and exhilaration of finding your perfect (or imperfect) match in life.

Language:

There is no adult language in *Pride and Prejudice*. However, there are instances of suggestive language and double entendres .

Smoking/Drinking:

There are moments of drinking and portrayals of drunkenness by both adults and minors in this play.

Sex:

There are no instances of sex nor nudity in the play.

Violence:

There are no references to violence in this play.

For which audiences?

Due to the more complex thematic elements, including underage marriage, this play is intended for audiences ages 12+.

Rating:

Rated PG for adult themes.
